

STC Ratings for Storm Windows

- Storm window is part of a “system”
- Nature of prime window is important factor
- Estimated STC Ranges should be adequate

REPRESENTATIVE STC RATINGS

<u>Prime Window</u>	<u>Storm Window Glass</u>	<u>STC Rating</u>
Single Glazed	No Storm Window	24 - 29
Single Glazed	1/8” Glass	31 - 37
Single Glazed	3/16” Laminated Glass	40 - 44
Single Glazed	1/4” Laminated Glass	41 - 45

Considerations for additional performance

- * More air gap between windows
- * Caulk or seal prime window
- * Special weather-stripping for storm window
